

The Giving Tree is a wall mural painted on the west wall of the education center at the Women's Resource Center by local artist, Leslie DeZiel and is designed to be a continuing monument to the growth of the WRC.

The leaves of this tree will represent inspiration, strength, courage, self-esteem and empowerment at different levels of giving. Each leaf will be added with a personal message chosen by you. This is the perfect opportunity to recognize the people who have touched your life by donating in their honor.

The generosity and support of our community is what makes it possible for us to provide programs such as career development, support groups and private counseling. The WRC strives to encourage confidence, self-esteem and a hand up to women seeking a better life for themselves and their families.

90% of the women who seek the services of the WRC are mothers. Your donation is more than a gift to the WRC; it is an investment in the families of Manatee County.
